

Access to Nordic clinical and e-health stakeholders

Through this service package you will receive an early end user assessment. Clinical experts and e-health test experts at different Nordic hospitals and municipalities will provide you with real stakeholder feedback. Nordic Proof is a network of partners from renowned clinics and e-health test facilities in the Nordics. We facilitate structured interviews (workshops), with one or more of the Nordic Proof partners. Combine a valuable and professional user test with building important network among your potential customers.

Investment: 12,500kr (value 50,000kr) + travel

Duration: ~3 months

Delivered by Aleap AS in collaboration with Nordic Proof

Send email to info@aleap.no for ordering this package

Nordic Proof Network

NATIONAL HEALTH CONSORTIUM SERVICE PACKAGE

Aleap
for health startups

WHY WORK WITH THE NORDIC PROOF NETWORK?

You will receive valuable input to your product prior to finalizing your design and development input and requirement specifications. Topics which may be interesting for you to get input on can be:

- User need
- Technical requirement
- Interoperability, usability and security of software
- Adoption hurdles
- Clinical strategy
- Intended use
- Available comparable solutions

The results of such workshops will add input to your product development with respect to functional, performance, usability, security and safety requirements, according to the intended use.

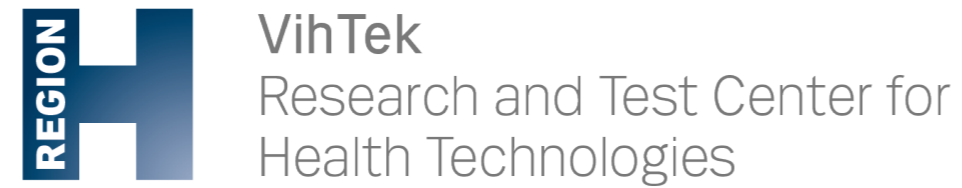

The service package offers access to numerous healthcare test arenas in the Nordics including an e-health test organization for the software part of your product

NordicProof

PRACTICALITIES

Confidentiality

We understand that protecting your idea is critical to your business, so we'll ensure that everyone involved in the support of your company through this program is covered by a confidentiality agreement.

Meet up in person

In order to get the most out of the workshop we expect that companies meet in person at the relevant Nordic Proof partner site

Allocate time

Your outcome from the workshop(s) is dependent on the effort that you put into it. Your input and approval of the structured interview guide is key to a successful workshop

Duration

Depends on how many workshop being ordered.

It can be expected 4-8 weeks from your inquiry is delivered until the first workshop can take place

Each workshop is estimated to 3 hours.

Investment

NOK 7500 (value NOK 30 000) for one workshop, NOK 5000 (value NOK 20 000) per additional workshop

+ Travel cost

Reach out to the Aleap team if you have any questions about the process
